Notes:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide General Circular No. 20/2020 dated May 05, 2020 read with General Circular No. 14/2020 dated April 8, 2020, General Circular No.17/2020 dated April 13, 2020, General Circular No. 39/2020 dated December 31, 2020, General Circular No.02/2021 dated January 13, 2021 and General Circular No. 02/2022 dated May 05, 2022 (collectively referred to as “MCA Circulars”) and Securities and Exchange Board of India (“SEBI”) vide its Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and Circular No. SEBI/HO/DDHS/DDHS_Div2/P/CIR/2022/079 dated June 03, 2022 (collectively referred to as “SEBI Circulars”) permitted the holding of the Annual General Meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 (“the Companies Act” or “the Act”), SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 (“SEBI Listing Regulations”), MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC / OAVM. Central Depository Services (India) Limited (‘CDSL’) will be providing facility for voting through remote e-voting, for participation in the AGM through VC / OAVM facility and e-voting during the AGM. The procedure for participating in the meeting through VC / OAVM is explained at below and is also available on the website of the Company at www.countryclubindia.net.
2. Pursuant to the Provisions of the Act, a Member entitled to attend and vote is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circular No. 14/2020 dated April 08, 2020, through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

3. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020, December 31, 2020, January 13, 2021 and May 05, 2022, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.countryclubindia.net. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA General Circular No. 14/2020 dated April 08, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20/2020 dated May 05, 2020 and General Circular No. 39/2020 dated December 31, 2020. In continuation of this Ministry's General Circular No. 20/2020, dated May 05, 2020 and after due examination, it has been decided to allow Companies whose AGMs were due to be held in the year 2022, or become due in the year 2022, to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in Paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA General Circular No. 02/2021 dated January 13, 2021 and General Circular No. 02/2022 dated May 05, 2022.
8. Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 relating to the Special Business in the Notice is annexed hereto and forms part of this Notice.
9. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the directors are interested under Section 189 of the Companies Act, 2013, will be available for inspection to the Members electronically without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2022. Members seeking to inspect such documents can send an email to contact@countryclubmail.com.
10. Institutional / Corporate Shareholders (i.e., other than individuals / HUF / NRI, etc.,) are required to send a scanned copy (PDF/JPG Format) of its Board or Governing Body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent by email through its registered email address to contact@countryclubmail.com with a copy marked to info@aarthiconsultants.co.in.
11. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, 24th September, 2022 to Friday, 30th September, 2022 (both days inclusive).

12. Shareholders holding shares in physical form may write to the Company/Company's R&T agents for any change in their address and bank mandates; shareholders holding shares in electronic form may inform the same to their depository participants immediately, where applicable.
13. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agents (Unit: M/s. Aarthi Consultants Private Limited)
14. In consonance with the Company's sustainability initiatives and Regulation 36 of the SEBI (LODR) Regulations, 2015, the Company is sharing all documents with Shareholders in the electronic mode, wherever the same has been agreed to by the shareholders. Further The Ministry of Corporate Affairs (vide Circular Nos. 17/2011 and 18/2011 dated April 21 and April 29, 2011 respectively), has undertaken a 'Green Initiative in Corporate Governance' and allowed Companies to share documents with its shareholders through an electronic mode. Shareholders are requested to support this green initiative by registering / updating their e-mail addresses for receiving electronic communications. Members holding shares in the same name under different ledger folios are requested to apply for consolidation of such folios and send the relevant share certificates to M/s. Aarthi Consultants Private Limited, Share Transfer Agents of the Company for their doing the needful.
15. As per SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 08, 2018 and further amendment vide Notification No. SEBI/LADNRO/GN/2018/49 dated November 30, 2018, w.e.f. April 01, 2019 the transfer of securities of listed companies shall not be processed unless the securities are held in the dematerialized form (Demat) with a depository. Hence, the Members of the Company are requested to dematerialize their shareholding to avail the benefits of dematerialization. Only the requests for transmission and transposition of securities in physical form, will be accepted by the RTA.
16. Members are requested to send their queries at least 10 days before the date of meeting so that information can be made available at the meeting.
17. In case of joint holders attending the Meeting, only such joint holders who are higher in the order of names will be entitled to vote.
18. In respect of shares held in physical mode, all shareholders are requested to intimate changes, if any, in their registered address immediately to the registrar and share transfer agent of the company and correspond with them directly regarding share transmission/transposition, Demat/Remat, change of address, issue of duplicate shares certificates, ECS and nomination facility.
19. In terms of Section 72 of the Companies Act, 2013, a Member of the Company may nominate a person on whom the shares held by him/her shall vest in the event of his/her death. Members desirous of availing this facility may submit nomination in prescribed Form-SH-13 to the Company/RTA in case shares are held in physical form, and to their respective depository participant, if held in electronic form.
20. The Companies Equity shares are listed at BSE Limited and National Stock Exchange of India Limited and the listing fee for the FY 2022-23 has been paid.
21. The Company is Appointing the new Auditors M/s. P. Murali & Co., Chartered Accountants, Hyderabad, as Statutory Auditors of the Company at this Annual General Meeting for a term of five consecutive years commencing from the Company's Financial Year ending March 31, 2022 to hold office from the conclusion of this 31st Annual General Meeting of the Company till the conclusion of the 36th Annual General Meeting to be held in the Year 2027. Accordingly, Ordinary Resolution is proposed for a Appointment of Auditors. None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item No. 3 of the Notice.

22. Details of Directors retiring by rotation / seeking re-appointment at the ensuing Annual General Meeting are provided as an Additional Information required to be furnished under Regulation 36(3) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Secretarial Standards issued by the Institute of Company Secretaries of India, to this Notice.
23. In terms of the provisions of Section 152 of the Act, Sri Yedaguri Siddharth Reddy, Director of the Company retire by rotation at the ensuing AGM. Nomination and Remuneration Committee and the Board of Directors of the Company recommends his appointment. Further Sri Yedaguri Siddharth Reddy is interested in the Ordinary Resolution set out at Item No. 2 of the Notice with regard to his re-appointment. Sri Yedaguri Siddharth Reddy, Director being related to Sri Y. Rajeev Reddy & Sri Y. Varun Reddy may be deemed to be interested in the resolution set out at Item No. 2 of the Notice. Saved and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item No. 2 of the Notice.
24. In accordance with the aforesaid MCA Circulars and SEBI Circulars, the Financial Statements including Report of Board of Directors, Auditor's Report or other documents required to be attached therewith and the Notice of AGM are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depositories / Depository Participant(s). The Registered Office of the Company shall be deemed to be the venue for the AGM.
25. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.
26. Instructions for e-voting and joining the AGM are as follows:

A. THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Monday, September 26, 2022 (9:00 A.M. IST) and ends on Thursday, September 29, 2022 (5:00 P.M. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on Friday, September 23, 2022 i.e. cut-off date (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their Mobile Number and Email Id in their demat accounts in order to access e-Voting facility.

2. FINANCIAL PERFORMANCE OF THE COMPANY:

During this year under review, the Consolidated Turnover of the Company was ₹ 8129.69 Lakhs as compared to ₹ 5337.54 Lakhs for the Previous Year and the Standalone Turnover of the Company was ₹ 8085.87 Lakhs as compared to ₹ 5229.87 Lakhs for the Previous Year.

Your Company had a Consolidated Net Loss (After deducting Finance Cost and Depreciation) of ₹ 4371.61 Lakhs as compared to ₹ 4879.78 Lakhs for the Previous Year. The Standalone Net Loss of ₹ 626.83 Lakhs as compared to ₹ 4146.03 Lakhs for the Previous Year.

The Board of Directors noted and took on record the report of the business review and analyzed the various options available and suitable in the present circumstances to the Company. The Board decided that it was no longer cost

effective to manufacture and produce the goods in the present un-remunerative market conditions with the help of present undertaking. The Company is constantly striving to improve its membership and hope to achieve better results in the forthcoming year.

3. OUTLOOK FOR INDIAN ECONOMY & INDUSTRIAL STRUCTURE:

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

India witnessed a turnaround in economic performance during the year. The economic outlook for Financial Year 2022-23, while affected by the war in Ukraine, remains positive. Even though there are downside risks in the form of inflation in commodities and energy, adverse impact of monetary tightening in advanced economies and possibility of yet another surge in Covid infections, the Company believes that these are unlikely to derail economic recovery in India. The RBI has projected a GDP growth of 7.2% for FY 2022-23, which will make India the fastest growing large economy in the world.

The Indian economy, which began showing signals of slowing down since first quarter of Financial Year 2022-23, is still expected to perform better than other major global economies; to grow by 4% - 5% in Financial Year 2022-23 as against 6.8% during Financial Year 2021-22. However, the growth in Financial Year 2022-23 is likely to be less than 3% due to the severe ongoing contraction of economic activities.

4. FUTURE PROSPECTS AND OUTLOOK OF THE COMPANY:

The Indian economy is projected to grow by more than 6% in FY23 as per various institutional estimates, making it one of the fastest-growing economies. India's growth journey could be the result of a culmination of favourable tailwinds like consistent agricultural performance, flattening of the COVID-19 infection curve, increase in government spending, reforms and an efficient roll-out of the vaccine, among others.

The Company witnessed an uptick in Hotel & Hospitality Sector compared to the year before. While we do expect the demand to catch up within the year, we believe the customers would expect relaxed holiday plans. We also expect some increase in customer outstanding owing to the pessimistic liquidity environment.

Leisure travel in India gathered momentum as Covid restrictions were eased. As the good market player, Country Club Hospitality & Holidays Limited has performed much better compared to the previous year. Occupancy has increased significantly and is now almost back to pre-Covid levels. At the same time, membership acquisitions has recovered from the previous year and the Company added significant room inventory in FY 2021-22.

This has been possible due to your Company's ability to leverage technology to drive business, its committed teams and a strong service culture. This allowed it to continue to reach-out to prospects, service members during lockdowns and swiftly restart and ramp-up operations after the restrictions were lifted. And, of course, the major factor has been the Country Club brand, which gives its members the confidence to travel and enjoy safe and immersive holiday experiences.

Your Company will focus on opportunistic growth avenues in current environment to create a healthy project pipeline across its markets. Fast turnaround deals shall be a specific focus area for new deals in F.Y. 2022-2023. When evaluating new projects, the Company will continue to seek superior long-term growth in shareholder value by maximizing returns through optimal financing and fiscal discipline. The Company shall also enhance agility across its processes to further reduce project launch turnaround times. These shall provide your company with the competitive edge in operational excellence and customer experience respectively.

While the pandemic may have affected the industry at large, the operational momentum of your company is likely to be sustained by its healthy Balance Sheet. Given the pace of urbanization and rising per capita disposable incomes, Country Club remains optimistic about the long-term sectorial direction. With a strong brand, Pan-India presence in Hyderabad, Mumbai, Ahmedabad, Faridabad, Surat, Kolkata, Kochi, Lucknow, Bandipur, Kovalam,

Kodaikanal, Jim Corbett, Goa, Chennai and Bengaluru, demonstrated track record and robust marketing capabilities, your Company is poised for a better growth trajectory comparing to the current year.

Post COVID-19 – Challenges & Mitigation

In the Financial Year 2021-22, Country Club experienced several unprecedented challenges following the outbreak of COVID-19. The government resources were subjected to stress but several Indian businesses and philanthropic bodies came together to support the nation.

For all office employees across the country, safe working spaces were made available through regular sanitization, communication campaigns on various precautions in office and while travelling to office. All security personnel, housekeeping and pantry staff were trained on safety measures including thermal screening for all individuals entering the premises, including customers and vendors.

The Company is in discussions with various agencies to undertake COVID-19 vaccination drive and Booster dose for all of its employees and their dependent family members at its various offices and on-site locations.

5. SHARE CAPITAL:

The Paid-up Share Capital of the Company stands at ₹ 32,69,29,470 (Rupees Thirty Two Crores Sixty Nine Lakhs Twenty Nine Thousand Four Hundred and Seventy Only) as on 31st March, 2022.

The entire Paid-up Share Capital of your Company is listed with both the Stock Exchange(s) namely, M/s. BSE Limited (BSE) and M/s. National Stock Exchange of India Limited (NSE).

6. NUMBER OF MEETINGS OF THE BOARD:

The Board met 5 (Five) times during the Financial Year 2021-22 on June 30, 2021, August 12, 2021, September 06, 2021, November 12, 2021, and February 12, 2022.

12. POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION:

The policy of the Company on Directors' Appointment and Remuneration including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under Section 178(3) of the Companies Act, is appended as **Annexure I** to this Report.

13. ANNUAL EVALUATION OF PERFORMANCE OF THE BOARD:

Regulations 27 of the SEBI, Listing Regulations states that the board shall monitor and review the board evaluation framework. The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual directors. Schedule IV of the Companies Act, 2013 states that the performance evaluation of the Independent Directors shall be done by the entire Board of Directors, excluding the director being evaluated.

The Company conducted a formal Board Effectiveness Review as part of its efforts to evaluate, identify improvements and thus enhance the effectiveness of the Board of Directors (Board), its Committees and Individual Directors. This was in line with the requirements mentioned in the Companies Act and the SEBI LODR Regulations.

The HR team of Country Club Hospitality & Holidays Limited worked directly with the Vice-Chairman, Joint Managing Director & Chief Operating Officer and the Nomination and Remuneration Committee of the Board, to design and execute this process which was adopted by the Board. Each Board Member completed a confidential online questionnaire, providing vital feedback on how the Board currently operates and how it might improve its effectiveness.

The survey comprised of four sections and compiled feedback and suggestions on:

- Board processes (including Board composition, strategic orientation and team dynamics);
- Individual committees;
- Individual Board members; and
- Chairman's Feedback Report

A meeting of the Independent Directors was also held which reviewed the performance of Non-Independent Directors, Chairman and the quality, quantity and timelines of flow of information between the Company management and Board.

As per the amendments issued to the SEBI LODR Regulations in 2018, the performance evaluation criteria for independent directors included a check on their fulfillment of the independence criteria and their independence from the management.

The following reports were created, as part of the evaluation:

- Board Feedback Report
- Individual Board Member Feedback Report
- Chairman's Feedback Report

The overall Board Feedback Report was facilitated by Mr. Nageshwar Rao with the Independent Directors. The Directors were vocal about the Board functioning effectively, but also identified areas which show scope for improvement. The Individual Committees and Board Members' feedback was shared with the Vice-Chairman, Joint Managing Director & Chief Operating Officer. Following his evaluation, Vice-Chairman, Joint Managing Director & Chief Operating Officer Feedback Report was also compiled.

14. DECLARATION GIVEN BY INDEPENDENT DIRECTORS:

The Independent Directors of the Company have submitted the Declaration of Independence, as required pursuant to Section 149 (7) of the Companies Act, 2013 confirming that they meet the criteria of independence as provided in Sub-Section (6) of section 149 of Companies Act, 2013 and Regulation 16 of SEBI LODR Regulations.

The Board is of the opinion that the Independent Directors of the Company possess requisite qualifications, experience and expertise in the field of finance, strategy, auditing, tax, financial services and infrastructure and Hotel & Hospitality Industry and they hold the highest standards of integrity.

In compliance with the rule 6(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014, all the Independent Directors have registered themselves with the Indian Institute of Corporate Affairs. Since majority of the Independent Directors of the Company have served as Directors or Key Managerial Personnel in listed companies or in an unlisted public company having a paid-up share capital of ₹ 10 Crores or more for a period not less than 10 years, they are not required to undertake the proficiency test as per rule 6(4) of the Companies (Appointment and Qualification of Directors) Rules, 2014.

MANAGEMENT AND DISCUSSION ANALYSIS REPORT

ECONOMIC ENVIRONMENT AND INDUSTRY INSIGHT:

GLOBAL ECONOMY: THE YEAR IN REVIEW:

The global economy resumed its path of recovery even with the resurgence of new variants of the COVID-19 pandemic. After initial nationwide lockdowns deployed during the first wave, fewer nations resorted to zero tolerance policies to control the virus. On the contrary, governments encouraged COVID-19 appropriate behaviour, improvements in healthcare infrastructure, increased coverage of testing and wide vaccination drives while resorting to localised containment measures to control subsequent waves. Following a contraction of 3.1% in the calendar year 2020, global growth is estimated at 6.1% in 2021. Growth estimates for 2021 of advanced economies is 5.2% while that of emerging markets and developing economies are pegged at 6.8%. For the same period, economic growth estimate for United States of America (USA) is 5.7% and the United Kingdom (UK) is 7.4%. Emerging and Developing Asian economies is estimated to have grown by 7.3% with the Indian economy estimated to have grown by 8.9% and China by 8.1%. The economies of Maldives, South Africa and Nepal is estimated to have grown by 33.4%, 4.9% and 2.7% respectively while Bhutan is estimated to have contracted by 3.7% in 2021. (Source: International Monetary Fund (IMF) – World Economic Outlook – October 2021 and April 2022).

More recently, difficult economic conditions posed by inflationary trends across nations, pandemic led supply side disruptions accentuated by the geopolitical situation in Europe and possibilities of new strains of a mutating virus threaten to hinder global manufacturing and trade thereby impacting the general economic sentiment. In this context, the global economy is projected to grow at 3.6% in 2022 and 2023. USA is projected to grow by 3.7% in 2022 and 2.3% in 2023 while the UK is projected to grow by 3.7% in 2022 and 1.2% in 2023. The IMF projects a growth rate of 8.2% for India in 2022 and 6.9% in 2023 while China is projected to grow by a modest rate of 4.4% in 2022 rising to 5.1% in 2023. Emerging and Developing Asia is projected to grow by 5.4% in 2022 and 5.6% in 2023. The economies of Maldives, South Africa, Nepal and Bhutan is projected to grow by 6.1%, 1.9%, 4.1% and 4.4% in 2022 and 8.9%, 1.4%, 6.1% and 4.5% in 2023 respectively. (Source: IMF – World Economic Outlook – April 2022).

Earlier, the World Bank in its report of January 2022 forecasted global economic output to expand by 4.1% in 2022 and moderate to 3.2% in 2023. It attributed the decelerated growth in 2022 to continued COVID-19 infections, diminished fiscal support, higher inflationary conditions and lingering supply bottlenecks. The moderation of growth in 2023 is mainly due to waning pent-up demand and further removal of all supportive macroeconomic policies. (Source: Global Economic Prospects-World Bank – January 2022).

While the World Bank Report was released before the outbreak of the war in Ukraine, the recent IMF Outlook pared global growth in 2022 from its earlier projection of 4.4% in January 2022 to 3.6% in its report of April 2022. The recent war between Russia and Ukraine has caused major disruption in trade especially exports of crude oil, natural gas, edible oil, wheat, corn, metals, fertilisers, etc. from the Black Sea region further contributing to increase in global energy costs and commodity prices. Global crude oil prices crossed US\$ 130 per barrel, its highest level since 2008, and despite some correction, remains at elevated levels. Closer home, Sri Lanka's economy, impacted by reduced foreign currency inflows due to the pandemic, further worsened by increased crude oil prices resulting in a depletion of its foreign currency reserves. This has impacted imports leading to supply shortages of fuel, electricity, food, ink, paper, etc. causing political unrest in the country. Challenges faced by tourism-based economies are expected to recede with recommencement of international flights. However, Europe's escalated geopolitical situation, lingering war and imposition of sanctions, elevated oil and commodity prices, prolonged supply chain disruptions and volatility in financial markets worldwide as well as political crises in the Indian subcontinent could impact trade within countries and impair economic growth across USA, Europe and Asia Pacific regions in the near term.

INDIAN ECONOMY: THE YEAR IN REVIEW:

The Indian GDP grew during FY 2021-22 at 8.7% compared to a contraction of 6.6% in FY 2020-21 as per the Press Note dated May 31, 2022 of the National Statistical Office of the Government of India. Total Consumption grew by 7.0% in FY 2021-22 enabled by private spending. Exports of both goods and services have been exceptionally strong in FY 2021-22

growing by 24.3%. Imports also recovered strongly with recovery in domestic demand coupled with higher international commodity prices to grow by 35.5% in FY 2021-22. In terms of Gross Value Added (GVA), the agricultural sector was the least impacted compared to other industries and grew by 3% during FY 2021-22 after a growth of 3.3% in FY 2020-21. Trade, Hotels, Transport, Communication and Broadcasting related services, constituting about a third of overall services grew by 11.1%. The Indian real estate market, which has proven to be inflation-proof, has shown a significant revival in FY 2021-22. India's balance of payments remained in surplus throughout the past two years which has enabled the Reserve Bank of India to maintain a strong position in foreign currency reserves above US\$ 600 billion.

In its Monetary Policy Report of April 2022, the Reserve Bank of India (RBI) has projected real GDP to grow at 7.2% in FY 2022-23. Several high frequency indicators viz. railway freight, GST collections, electricity demand, import of capital goods, etc. have displayed robust growth during February and March 2022. There has been a significant rise in consumer optimism on the back of improved sentiments of the general economic situation. According to 'The Economist' - May 14, 2022 edition, India is expected to be the fastest growing big economy in the world. While the economy has been looking up in the fourth quarter of FY 2021-22, escalating geopolitical tensions in the Black Sea region resulting in significant hardening of international crude oil and other commodity prices, the loss of momentum in global trade and risk of future waves of COVID-19 infections pose downside risks to the outlook for India in line with the global economy. Further, in May 2022 the RBI considered prevailing high inflationary conditions while raising interest rates by 40 basis points. 'FY 2021-22 has been a year of strong recovery in the Indian travel and tourism industry. While flight restrictions continued for most part of the year subduing international travel, demand was largely from pent-up domestic leisure travel, extended stays, wedding, social events and a partial resumption of business travel in the country.'

INDUSTRY INSIGHT:

GLOBAL HOSPITALITY AND TOURISM INDUSTRY:

Global tourism continued to be impacted in 2021 by repeated waves of the pandemic and consequent reintroduction of travel restrictions. International tourist arrivals across the world for 2021 were 421 Million, 4.6% over that of 2020 but lower by 71.3% compared to 2019 according to data from the United Nations World Tourism Organisation (UNWTO). In absolute numbers, international arrivals at destinations worldwide were still far less by a billion travellers in 2021 than the pre-pandemic levels of 2019. Asia and the Pacific registered an absolute decline in international arrivals in 2021 over 2020 by 64.7%. International tourist arrivals in South Asia were at 5.7 Million, lower by 42.9% from 2020 and 83.1% from 2019. In 2019, South Asia had 33.7 Million international tourist arrivals. Amongst other regions, international tourist arrivals in 2021 over 2020 to North America and Africa grew by 22.2% and 13.9% respectively while the Middle East declined by 8.3%. All these regions are trailing their pre-pandemic levels by large margins.

International tourist arrivals i.e. overnight visitors increased by 130% in January 2022, higher by 18 Million. Even though the increase in arrivals during January 2022 was the same as that for the entire 2021 over 2020, it was 67.1% lower than the pre-pandemic level of January 2019. South Asia recorded an increase of 135.3% in arrivals in January 2022 over the same month in 2021. The encouraging results were impacted by the Omicron variant of COVID-19 virus and re-introduction of travel restrictions across several countries. The ebbing of this wave of the virus gave way to the rising geopolitical stress in Europe and South Asia. (Source: UNWTO, Barometer March 2022)

OUTLOOK

The UNWTO expects international tourism to continue its recovery in 2022 gradually as more destinations ease or lift travel restrictions and pent-up demand is released. According to its report, 12 destinations had no COVID-19 related restrictions in place as of March 24, 2022. It expects domestic tourism to continue driving the recovery of the travel and tourism sector for an increasing number of destinations while international tourism bounces back. However, major downside risks threaten the ongoing recovery of tourism in 2022. These being the Russia-Ukraine war, pressure on consumer purchasing power and savings caused by high energy prices, inflation in commodity prices, monetary policy interventions by central banks and travel restrictions in many destinations due to the ongoing pandemic which could delay the recovery of international tourism.

31st Annual Report (2021-22)

The UNWTO scenarios published in January 2022 estimated a range of 30% to 78% growth in international tourist arrivals in 2022 over 2021 depending on various factors of health, policy, geopolitical and economic factors. However, after factoring this growth, the international tourist arrivals would still be at 50% to 63% below pre-pandemic levels. (Source: UNWTO, Barometer January 2022) Considering the aforesaid factors, global travel is not expected to return to pre-pandemic levels earlier than 2023.

INDIAN HOSPITALITY AND TOURISM INDUSTRY

FY 2021-22 has been a year of strong recovery in the Indian travel and tourism industry. While flight restrictions continued for most part of the year subduing international travel, demand was largely from pent-up domestic leisure travel, extended stays, wedding, social events and a partial resumption of business travel in the country. Total air passenger traffic within India for 2021 was 182 Million, higher than 2020 by 27% but lower than 2019 by 48%. Of this, 164 Million or 90% constituted domestic air passenger traffic. (HVS Anarock - India Hospitality Industry Overview 2021 and Airports Authority of India data). In contrast, foreign tourist arrivals were 1.41 Million for the calendar year 2021 in comparison with 2.74 Million in 2020 and 10.93 Million in 2019 (Government of India, Ministry of Tourism Annual Report – 2021-22).

As per Horwath HTL Market Report: India Hotel Market Review 2021, calendar year occupancy for 2021 was 43.5% in comparison with 32.0% in 2020 and 24.9% during the initial pandemic period of March to December 2020. The recovery from the 'second wave' of COVID-19 was quicker and demand during the period July to September 2021 was particularly strong.

The 13 Indian destinations tracked by STR, a global hospitality data analytics firm, registered an occupancy of 50.0% in the fourth quarter of FY 2021-22 as against 46.1% in FY 2020-21 with a 39% improvement in RevPAR. As shown in the chart below, occupancies of Goa, Kolkata, Ahmedabad and Chandigarh have nearly recovered to their pre-pandemic levels of 2019-20. Goa registered the highest occupancy at 63.3% while Mumbai registered the second highest occupancy at 62.6%. RevPAR of Goa and Chandigarh exceeded the pre pandemic levels of 2019-20. Goa's RevPAR at '6,012 was the highest among the tracked destinations in the country.

OUTLOOK

Subsequent waves of the COVID-19 virus have resulted in a quicker 'V-shaped' recovery of economic activity and mobility with comparatively lower disruption in livelihoods. This was also strengthened by higher vaccinated population, low-fatality-quick recovery rate of the Omicron variant and better healthcare preparedness in the country. These factors have resulted in higher consumer confidence which is expected to improve the prospects for travel and tourism within the country. While various State Governments have eased regional travel restrictions, the Government of India recently ended its COVID-19 containment measures under the Disaster Management Act and resumed regular international flights, thus paving the way for greater inflow of international tourist arrivals to India.

The Indian tourism industry achieved peak occupancies of ~90% without international inbound travel and with lower levels of business travel. With these segments beginning to rebound demand forecast is expected to be robust. Corporate business travel is more likely to resume for purposes of client acquisitions, relationship building, industry conferences, exhibitions and tradeshows. Increase in international travellers to leisure destinations as well as inbound travel for weddings, conferences and events along with pent-up demand among domestic travellers are expected to further increase occupancies. Increasing demand for rooms coupled with a favourable demand-supply equation in branded Accommodations should progressively improve average room rates. This is substantiated by the business performance for April 2022 which was better than that of April 2019. The 'new normal' is expected to bring with it new segments of customers and trusted, branded hotel chains would be in the best position to leverage such opportunities. The industry would continuously need to explore ancillary revenue streams to maximise revenue per square foot of real estate thereby protecting its revenue generating capabilities.

Finally, large scale development of infrastructure by the Government, including roads, railways, metro-railways, airports and ports will aid long term growth of tourism and hospitality sector in India. These investments, coupled with coordinated efforts of Government ministries along with the industry should provide major stimulus for growth of Indian travel and tourism going forward.

INDUSTRY MEGATRENDS

The hospitality industry has been undergoing changes and disruptions over the last decades. The key trends that are reshaping the industry are listed here:

- Virtual communities across social networks like TripAdvisor and Google, among others influence tourists and lead to more transparency
- Online Travel Agents (OTAs) have altered distribution channels, facilitated a shift towards large brands and have built enduring relations with travelers
- Digitalised guest experiences through apps are increasingly helping hoteliers manage many aspects of the guest cycle and experience
- Booming global tourism, owing to enablers like low-cost carriers and healthy GDP growth in emerging markets.
- Rising trend of experience economy wherein customers request extreme personalization, unique experiences, and so on.

Diverse attractions

India offers tourists a vast geographical diversity, attractive beaches, a chance to see 37 World Heritage Sites and 10 bio geographical zones. In July, 2021, UNESCO has declared the Famous Ramappa Temple at Parkal as World Heritage Site, which is just 200 Kms away from the Registered Office of the Company, i.e. Hyderabad. With this India has 39 such sites, and Archaeological Survey of India (ASI) is now the custodian of 23 world heritage site.

REVIEW OF THE COUNTRY CLUB'S BUSINESS

REVENUE OPPORTUNITIES

Country Club's brands enjoy the tremendous trust of its patrons, guests as well as the neighbourhoods in which it operates its hotels. Given the limitations that the prevailing situation has imposed on existing business models, Country Club has explored multiple alternative revenue opportunities to ensure business continuity. These include a Hospitality at Home programme by which hotels supply bakery, confectionery and wellness services to homes. The Company is also exploring digital channels to make more products and services available to guests. Certain Corporates have been using hotels as part of their Business Continuity Programme to maintain their operations during the lockdown. Long-stay guests have continued to put up at the hotels. The Company has also been working with, and supporting, the government in its efforts to combat the COVID-19 situation by offering rooms to the medical fraternity and providing accommodation for quarantine purposes to guests who have availed repatriation flights.

With the lifting of lockdown restrictions, Country Club has started reopening a few hotels in non containment zones after establishing thorough and well rehearsed safety protocols. All the hotels at Country Club has become operational in a phased manner after the lockdown is lifted and the confidence of travellers is restored. However, it expects demand for its services to pick up at a slow pace. Business recovery is likely to be driven by domestic leisure tourism, staycations, domestic business travel and limited international travel. The trust that the Company's brands enjoy and its emphasis on the health and safety of guests and employees will help it gain market share as and when the economy revives.

COST ACTIONS

Country Club has instituted a robust spend optimisation programme to reduce fixed costs and rationalise resources. While variable costs have reduced with lower business volume, the Company's focus has shifted to fixed costs. It has taken the following initiatives with regard to this:

- Maximising shutdown of hotels by operating hotels for medical and quarantine purposes in city clusters
- Renegotiating F&B ingredient contracts and exploring alternative sources of procurement;
- Rationalising human resource costs through strategies; voluntary pay cuts taken by senior management and freezing recruitment
- Optimising consumption of power and fuel by rationalising open floors or wings at operating hotels

- Discussing lease agreements with lessors and judiciously invoking 'force majeure' clauses for relief during the lockdown period
- Reducing corporate overheads viz. professional contracts, marketing spends, renegotiating annual maintenance contracts, leased-line costs, reducing support staff of inbound and outbound call centres, travel expenses, etc.
- Accessing government support where available. In certain states of India, it has taken benefit of waivers or deferrals in minimum demand electricity charges, etc.

CONSERVATION OF CASH

The Company has taken immediate measures to control cash flows during the year and maintain liquidity during the period. These include deferral of capital expenditure and renovations, unless absolutely required. Capital expenditure is planned to be incurred for essential hotel maintenance. The Company has also provided adequate liquidity for capital commitments on work undertaken prior to the lockdown.

COMPLIANCE

Country Club deploys a robust internal check process to prevent and limit the risk of non-compliance. The Company approaches compliance from a proactive standpoint and believes in responsive intervention. Compliance with laws and regulations is an essential part of its business operations and it adheres to all national and regional laws and regulations in such diverse areas as product safety, product claims, trademark, copyright, patents, competition, employee health and safety, the environment, corporate governance, listing and disclosure, employment and taxes. Nevertheless, it is focusing on increasing awareness, documentation and supplementing the expertise of internal professionals with that of independent consultants, as may be required from time to time.

HEALTH AND SAFETY

Country Club continues to remain committed to making the Company a safe and secure place for all stakeholders. Safety is part of the integral agenda for all Executive Committee and Board Meetings. Routinely identifying safety risks associated with operations helps the Company implement appropriate and effective mitigation plans and ensures overall safety compliance.

Country Club carries out unannounced Fire and Life Safety (FLS) audits at hotels and in its corporate office with a focus on identifying and eliminating risks in areas pertaining to Leadership & Governance, Risk Management, Electrical Safety, Fire Safety, General Safety, Personal Protective Equipment, Contractor Management, Work Permit System, Sewage Treatment Plant and Road Safety.

The Company continues to drive awareness on safety across resorts. Common safety hazards and their safeguards have been highlighted in specially designed animated safety videos, and case studies based on true incidents continue to be shared with the resorts and hotels as a learning tool. As a result of this focus on safety and learnings from incidences, Country Club has reported no fatality for the year.

FOOD SAFETY, HYGIENE AND CLEANLINESS

The Company is committed to continually improving the Food Safety Management System by training and optimising the capacities of people, processes and technologies within the system and ensuring implementation of all applicable internal and external standards. Food Safety, Hygiene and Cleanliness audits were conducted by an external audit partner ensuring implementation of FSSAI guidelines and standards. Internal Food Safety workshops were organised to discuss the way forward for the implementation of food safety, hygiene and cleanliness at the hotels and resorts.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an adequate internal control system, corresponding with the size and nature of its business. The system of internal control is supported by documented policies, guidelines and procedures to monitor business and operational performance which are aimed at ensuring business integrity and promoting operational efficiency.

The Company has an Internal Auditor who oversees the entire internal audit function. However, given the size of its operations in terms of nature of its business, it also uses services of independent audit firms to conduct periodic internal audits in line with an audit plan that is drawn at the beginning of the year. This audit plan, prepared by the Internal Auditor, is approved by the Audit Committee and the Board of Directors.

Internal audit reports are placed periodically before the Audit Committee of the Board of Directors, which reviews the adequacy and effectiveness of the internal control systems and suggests improvements for strengthening them.

SEGMENT WISE PERFORMANCE:

The Company is primarily engaged in the business of sale of Vacation Ownership and other related services in India. As such, the Company operates in a single segment and there are no separate business and geographic reportable segments for the purpose of Indian Accounting Standard 108 on Segment Reporting.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE OF THE COMPANY:

During this year under review, the Consolidated Turnover of the Company was ₹ 8129.69 Lakhs as compared to ₹ 5337.54 Lakhs for the Previous Year and the Standalone Turnover of the Company was ₹ 8085.87 Lakhs as compared to ₹ 5229.87 Lakhs for the Previous Year.

4. To retain, motivate and promote talent and to ensure long term retention of talented managerial persons and create competitive advantage.

In the context of the aforesaid objectives the following policy has been framed and recommended by the Nomination & Remuneration Committee jointly with the Human Resources Department of the Company and adopted by the Board of Directors at its meeting held on 25th March, 2015.

DEFINITIONS

1. Board means Board of Directors of the Company.
2. Directors means Directors of the Company.
3. Committee means Nomination & Remuneration Committee of the Company as constituted or reconstituted by the Board.
4. Company means Country Club Hospitality & Holidays Limited
5. Independent Director means a Director referred to in Section 149 (6) of the Companies Act, 2013.
6. Key Managerial Personnel (KMP) means:
 - i. Executive Chairman and / or Managing Director;
 - ii. Whole-time Director;
 - iii. Chief Financial Officer;
 - iv. Company Secretary;
 - v. Such other officer as may be prescribed under the applicable statutory provisions / regulations.
 - vi. Senior Management
 - vii. Senior Management means personnel of the Company occupying the position of Chief Executive Officer, Chief Operating Officer, Executive Vice President or Vice President of any division of the Company. Unless the context

otherwise requires, words and expressions used in this policy and not defined herein but defined in the Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein.

This Policy is divided in two parts: Part – A covers the appointment and nomination and Part – B covers remuneration and perquisites etc.

PART – A

POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT

APPOINTMENT

1. The candidate for a position at Director, KMP or Senior Management level is met by the Head HR and the Director to whom the position reports into. The interview is targeted at assessing the candidate on his/ her functional & leadership capabilities and cultural fitment to the organization.
2. The MD assesses the shortlisted candidates.
3. The candidate selected through the above rounds is met by the Corporate HR for fitment to the group values and leadership capability requirements.

The selected candidate's details and the proposed compensation is shared with the Nomination & Remuneration Committee for their review and suggestions. The same is shared with the Board at the next board meeting.

TERM/ TENURE

The tenure for Directors of Company shall be governed by the terms defined in the Companies Act, 2013. However, the tenure for other KMP and Senior Management Personnel will be governed by Company's HR policy.

EVALUATION

The performance of the whole-time Director, KMP and Senior Management Personnel is evaluated at regular intervals (half yearly/ yearly) by the whole-time Directors/ Managing Director, as applicable.

The performance evaluation of Independent Directors shall be done by the Board, excluding the Director being evaluated, basis the contributions made to the Board deliberations on various matters including business strategy, financial strategy, operations, cost and risk management, etc., and suggestions given in this regard.

REMOVAL

Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made thereunder or under any other applicable Act, rules and regulations, the Managing Director / Chief Executive Officer may recommend, to the Committee and the Board with reasons recorded in writing, removal of a Director, subject to the provisions and compliance of the said Act, rules and regulations.

For other KMP or Senior Management Personnel, the removal will be governed by Company's HR policy and the subsequent approval of the Managing Director / Chief Executive Officer.

RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Managing Director / Chief Executive Officer will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

PART – B

POLICY RELATING TO EVALUATION AND REMUNERATION OF THE WHOLE-TIME DIRECTORS, KMP AND SENIOR MANAGEMENT PERSONNEL

EVALUATION PROCESS:

A two point rating scale for performance review of Executive Director, KMP, and Senior Management is be followed:

1. **Rating on Basic Job Responsibilities:** Indicating whether the basic job responsibilities have been met during the year.
2. **Rating on Goals:** Annual rating on each goal on a five point scale. Weighted average of the ratings is calculated to arrive at a 'Weighted Goal Score'.

Based on a holistic view of the two point rating, the supervisor provides an overall rating. This rating is reviewed by the Managing Director / Chief Executive Officer who does a Qualitative review of the performance based on the efforts put in by the employee, results achieved and impact of the external and internal factors, to arrive at a 'final annual rating'.

The revision in the total remuneration is directly linked to the 'final annual rating' for all employees.

1. The remuneration/ compensation/ commission etc. to the Whole-time Director, KMP and Senior Management Personnel will be determined by the Managing Director / Chief Executive Officer in accordance with the Company's HR policy, which is based upon the final annual rating, employee potential and market benchmark compensation. The revised remuneration is shared with the Nomination & Remuneration Committee for review.
2. If the stock options are granted to any Employee then, the company stock options granted under the Employee Stock Grant Scheme to the Whole-time Director and Senior Management Personnel will be determined by the Managing Director / Chief Executive Officer as per the ESGS guidelines and recommended to the Committee and the Board for approval in the subsequent board meeting.
3. The remuneration/ compensation/ commission etc. shall be subject to the prior/ post approval of the shareholders of the Company and Central Government, wherever required.
4. The remuneration and commission to be paid to the Whole-time Director shall be in accordance with the percentage / slabs / conditions laid down in the Articles of Association of the Company and as per the provisions of the Companies Act, 2013, and the rules made thereunder.
5. Increments to the existing remuneration / compensation structure may be recommended by the Managing Director / Chief Executive Officer to the Committee and the Board which should be within the slabs approved by the Shareholders in the case of Whole-time Director. Increments will be effective from that respective date as the Board determines, in respect of a Whole-time Director and other employees of the Company.
6. Where any insurance is taken by the Company on behalf of its Whole-time Director, Chief Executive Officer, Chief Financial Officer, the Company Secretary and any other employee for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

ANNEXURE – “A” TO DIRECTORS REPORT- CORPORATE GOVERNANCE
(Pursuant to Regulation 34(3) & 53(f) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015)

COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE:

“Corporate governance is concerned with holding the balance between economic and social goals and between individual and communal goals. The governance framework is there to encourage the efficient use of resources and equally to require accountability for the stewardship of those resources. The aim is to align as nearly as possible the interests of individuals, corporations and society.” (Sir Adrian Cadbury, UK, Commission Report: Corporate Governance 1992).

Corporate governance is an ethically driven business process that is committed to values aimed at enhancing an organization’s wealth generating capacity. This is ensured by conducting business with a firm commitment to values, while at the same time, meeting stakeholders’ expectations.

Strong leadership and effective corporate governance practices have been the Company’s hallmark inheritance from the Company’s culture and ethos. At Country Club Hospitality & Holidays Limited, it is imperative that business is conducted in a fair and transparent manner. The corporate governance framework ensures effective engagement with various stakeholders and helps the Company evolve with changing times. It oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising of regulators, employees, customers, vendors, investors and the society at large.

Country Club Hospitality & Holidays Limited believes that good governance is essential to achieve long term corporate goals and enhance stakeholders’ value. Thus the Company’s philosophy on Corporate Governance aims at attaining the highest level of transparency, accountability towards its stakeholders, including shareholders, employees, the Government and lenders and to maximize returns to shareholders through creation of wealth on sustainable basis, compliance of laws in all facets of operations leading to best standards of Corporate Governance. The Company believes that good ethics make good business sense and our business practices are set keeping with this spirit.

The Company endeavors to achieve optimum performance at all levels of management by adhering to good corporate governance practices, namely, the following:

- a) Fair and transparent business practices.
- b) Effective management control by Board.
- c) Adequate representation of Promoter, Executive and Independent Directors on the Board.
- d) Monitoring of executive performance by the Board.
- e) Compliance of Laws.
- f) Transparent and timely disclosure of financial and management information.

THE GOVERNANCE STRUCTURE

1. BOARD OF DIRECTORS:

a) Board Structure

The Company has an optimal combination of executive, non-executive and independent directors to maintain the independence of the Board from the management, which is in conformity with the requirement of Section 149(4) of the Companies Act, 2013 (the Act) and Regulation 17 of The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 (‘Listing Regulations’).

CONSOLIDATED FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

To,
The Members of M/s Country Club Hospitality and Holidays Limited
Report on the Audit of Ind AS Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of M/s **COUNTRY CLUB HOSPITALITY AND HOLIDAYS LIMITED** ("the company"), its subsidiaries (the Company, its subsidiaries together referred to as "the Group") which comprise the consolidated Balance Sheet as at 31st March, 2022, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of changes in equity and the consolidated Statement of Cash Flows for the year then ended on that date and notes to financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IndAS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, the consolidated loss and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's

Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matters:

a. **M/s Country Club Hospitality and Holidays Limited (the holding company):**

Investment in subsidiary companies are continuing at historical cost and not at its fair value.

b. **M/s Aquarian Realtors Private Limited (Subsidiary company)**

The accumulated losses have completely eroded the Net Worth of the Company. The Company has suffered recurring losses. The accounts of the Company have been prepared on the basis of going concern assumption. However, the eroded Net Worth cast significant doubt upon the Company's ability to continue as a going concern unless it raises capital in order to fund its operations.

c. **M/s Bright Resorts Private Limited (Subsidiary company)**

The accumulated losses have completely eroded the Net Worth of the Company. The Company has suffered recurring losses. The accounts of the Company have been prepared on the basis of going concern assumption. However, the eroded Net Worth cast significant doubt upon the Company's ability to continue as a going concern unless it raises capital in order to fund its operations.

d. M/s Bush Betta Ownership wildlife adventure resorts Private Limited (Subsidiary company)

The accumulated losses have completely eroded the Net Worth of the Company. The Company has suffered recurring losses. The accounts of the Company have been prepared on the basis of going concern assumption. However, the eroded Net Worth cast significant doubt upon the Company's ability to continue as a going concern unless it raises capital in order to fund its operations.

e. M/s Chanakyapuri Resorts Private Limited (Subsidiary company)

The accumulated losses have completely eroded the Net Worth of the Company. The Company has suffered recurring losses. The accounts of the Company have been prepared on the basis of going concern assumption. However, the eroded Net Worth cast significant doubt upon the Company's ability to continue as a going concern unless it raises capital in order to fund its operations.

f. M/s International Country Holidays Private Limited (Subsidiary company)

The accumulated losses have completely eroded the Net Worth of the Company. The Company has suffered recurring losses. The accounts of the Company have been prepared on the basis of going concern assumption. However, the eroded Net Worth cast significant doubt upon the Company's ability to continue as a going concern unless it raises capital in order to fund its operations.

g. M/s JJ Arts and entertainments Private Limited (Subsidiary company)

The accumulated losses have completely eroded the Net Worth of the Company.

h. M/s. Swami Vivekanand Training and Education Centre Private Limited (Subsidiary company)

The accumulated losses have eroded the Net Worth of the Company. The Company has suffered recurring losses. The accounts of the Company have been prepared on the basis of going concern assumption. However, the eroded Net Worth cast significant doubt upon the Company's ability to continue as a going concern unless it raises capital in order to fund its operations.

i. M/s. Swimwel Investment and Trading Private Limited (Subsidiary company)

The accumulated losses have completely eroded the Net Worth of the Company as the Company has suffered recurring losses.

Our opinion is not modified in respect of the above Emphasis of Matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of "the Act" with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of "the Act". This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objective is to obtain reasonable assurance whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As our audit is conducted in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the group to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

We did not audit the financial statements of Two Subsidiaries Companies which are included in the consolidated financial statements, whose consolidated financial statements/financial information reflect total assets before elimination of ₹ 23,06,79,674 as at 31 March, 2022, as well as the total revenues of ₹ 43,49,735/- for the year ended 31st March, 2022 and Group's share of total net loss after tax of ₹ 35,41,08,799/- for the year ended 31st March 2022. These financial statements and other financial information has been audited by other Auditors whose reports have been furnished to us and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of subsection (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors of the company and its subsidiaries, none of the directors of the group companies is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the Auditor's reports of the Company and its subsidiary companies. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, during the year the company has not paid remuneration to its directors.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statement has pending litigations which would have impact on its consolidated financial position of the group
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education Protection Fund by the Company and its subsidiary companies.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Holding Company or its Subsidiary Company Incorporated in India has not declared or paid any Dividend during the year.
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **COUNTRY CLUB HOSPITALITY AND HOLIDAYS LIMITED** of even date)

Report on the Internal Financial Controls over Financial Reporting under clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022 We have audited the internal financial controls over financial reporting of **COUNTRY CLUB HOSPITALITY AND HOLIDAYS LIMITED** (herein referred to as “the Company”) and its subsidiary companies which are companies incorporated in India, as of date

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its Subsidiary Companies.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, to the best of our information and according to the explanations given to us, the Company and its subsidiary companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective Companies, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Corporate Information

Country Club Hospitality & Holidays Limited formerly known as Country Club (India) Limited ('the Company') is a public entity domiciled in India and is India's biggest chain of family clubs with over 70 destinations across India. It is dubbed as the Powerhouse of Entertainment. Its shares are listed on NSE & BSE

2. Basis of preparation

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with IndAS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31st March 2022 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- Assets held for sale – measured at fair value less cost to sell;
- Defined benefit plans – plan assets measured at fair value; and
- Share-based payments.

2.1 Summary of significant accounting policies

I. Significant Accounting Estimates and Judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reporting amounts of assets, liabilities, income and expense and disclosures made. Although these estimates are based on management's best knowledge of current events and actions, actual result may differ from those estimates.

The critical accounting estimates and assumptions used and areas involving a high degree of judgments are described below:

Use of estimation and assumptions

In the process of applying the entity's accounting policies, management had made the following estimation and assumptions that have the significant effect on the amounts recognised in the financial statements.

Property, plant and equipment & Intangible Assets

Key estimates related to long-lived assets (property, plant and equipment, mineral leaseholds and intangible assets) include useful lives, recoverability of carrying values and the existence of any retirement obligations. As a result of

future decisions, such estimates could be significantly modified. The estimated useful lives of long-lived assets is applied as per schedule II of Companies Act, 2013 and estimated based upon our historical experience, engineering estimates and industry information. These estimates include an assumption regarding periodic maintenance and an appropriate level of annual capital expenditures to maintain the assets.

Impairment of plant & equipment and Intangible assets

The company assesses whether plant & equipment and intangible assets have any indication of impairment in accordance with the accounting policy. The recoverable amounts of plant & equipment and intangible asset have been determined based on value-in-use calculations. These calculations require the use of judgment and estimates.

Expected credit loss

Expected credit losses of the company are based on an evaluation of the collectability of receivables. A considerable amount of judgment is required in assessing the ultimate realization of these receivables, including their current creditworthiness, past collection history of each customer and ongoing dealings with them. If the financial conditions of the counterparties with which the Company contracted were to deteriorate, resulting in an impairment of their ability to make payments, additional expected credit loss may be required.

II. Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost includes its purchase price(after deducting trade discounts and rebates), import duties & non-refundable purchase taxes, any costs directly attributable to bringing the asset to the location & condition necessary for it to be capable of operating in the manner intended by management, borrowing costs on qualifying assets and asset retirement costs. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The activities necessary to prepare an asset for its intended use or sale extend to more than just physical construction of the asset. It may also include technical (DPR, environmental, planning, Land acquisition and geological study) and administrative work such as obtaining approvals before the commencement of physical construction.

The cost of replacing a part of an item of property, plant and equipment is capitalized if it is probable that the future economic benefits of the part will flow to the Company and that its cost can be measured reliable. The carrying amount of the replaced part is derecognized.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, estimated useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is recognised in the profit or loss in the year the asset is derecognized.

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work in Progress.

Depreciation

Depreciation is provided on Straight Line Method, as per the provisions of schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment.

Leasehold Assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use.

In respect of additions / deletions to the fixed assets / leasehold improvements, depreciation is charged from the date the asset is ready to use / up to the date of deletion.

Depreciation on adjustments to the historical cost of the assets on account of reinstatement of long term borrowings in foreign currency, if any, is provided prospectively over the residual useful life of the asset.

III. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

The company amortizes Computer software using the straight-line method over the period of 3 years

Financial Assets

Financial assets comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

(i) Financial assets measured at amortised cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

(i) Trade Receivables

An impairment analysis is performed at each reporting date. The expected credit losses over life time of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecasts of future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the life time when there is significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognized only when:

- The company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset and transferred substantially all risks and rewards of ownership of the financial asset, in such cases the financial asset is derecognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is also derecognized if the company has not retained control of the financial asset.

IV. Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

V. Inventories

Construction materials, raw materials, consumables, stores and spares and finished goods are valued at lower of cost and net realizable value. Cost is determined on weighted average cost method.

Construction/Development work-in-progress related to project works is valued at lower of cost or net realizable value, where the outcome of the related project is estimated reliably. Cost includes cost of land, cost of materials, cost of borrowings and other related overheads.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

VI. Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks subsequently measured at amortized cost and short term investments are measured at fair value through Profit & Loss Account.

VII. Non-current Assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities, that are expected to be recovered through sale rather than through continuing use, are classified as held for sale. Immediately before classification as held for sale, the assets, or components of the disposal group, are re-measured in accordance with the Company's accounting policies. Thereafter, the assets, or disposal group, are measured at the lower of their carrying amount and fair value less costs to sell. Any impairment losses on initial classification as held for sale or subsequent gain on re-measurement are recognized into net income. Gains are not recognized in excess of any cumulative impairment losses.

VIII. Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value plus any directly attributable transaction costs, such as loan processing fees and issue expenses.

Subsequent measurement

The measurement of financial liabilities depends on their classification as follows: -

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss includes financial liabilities held for trading and financial liabilities designated upon initial recognition at fair value through profit or loss. Financial liabilities are classified as held for trading if they are acquired for the purpose of selling in the near term. This category includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Subsequent to initial recognition, financial liabilities at fair value through profit or loss are measured at fair value. Any gains or losses arising from changes in fair value of the financial liabilities are recognised in profit or loss.

The company has not designated any financial liabilities upon initial recognition at fair value through profit or loss.

IX. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other costs that an entity incurs in connection with the borrowing of funds.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

X. Employee Benefits

- Employee benefits are charged to the statement of Profit and Loss for the year and for the projects under construction stage are capitalized as other direct cost in the Capital Work in Progress / Intangible asset under development.

- Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are recognised, when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.
- Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurement in case of defined benefit plans gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income and they are included in retained earnings in the statement of changes in equity in the balance sheet.
- Compensated absences are provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.
- The amount of Non-current and Current portions of employee benefits is classified as per the actuarial valuation at the end of each financial year.

XI. Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the reporting date. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable income nor the accounting income. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable income will be available against which they can be utilized. Deferred tax assets are reviewed at each reporting date and reduced accordingly to the extent that it is no longer probable that they can be utilized.

Deferred tax assets and liabilities are offset when there is legally enforceable right of offset current tax assets and liabilities when the deferred tax balances relate to the same taxation authority. Current tax asset and liabilities are offset where the entity has legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

XII. Leases

As a lessee

Lease of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

Lease-hold land:

Leasehold land that normally has a finite economic life and title which is not expected to pass to the lessee by the end of the lease term is treated as an operating lease.

The payment made on entering into or acquiring a leasehold land is accounted for as leasehold land use rights (referred to as prepaid lease payments in Ind AS 17 "Leases") and is amortized over the lease term in accordance with the pattern of benefits provided.

XIII. Provisions, Contingent Liabilities and Contingent Assets

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense and is recorded over the estimated time period until settlement of the obligation. Provisions are reviewed and adjusted, when required, to reflect the current best estimate at the end of each reporting period.

The Company recognizes decommissioning provisions in the period in which a legal or constructive obligation arises. A corresponding decommissioning cost is added to the carrying amount of the associated property, plant and equipment, and it is depreciated over the estimated useful life of the asset.

A provision for onerous contracts is recognized when the expected benefits to be derived by the company from a contract are lower than the unavoidable cost of meeting its obligations under contract. The provision is measured at the present value of the lower of expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the company recognizes any impairment loss on the assets associated with that contract.

Liquidated Damages / Penalty as per the contracts / Additional Contract Claims under the contract entered into with Vendors and Contractors are recognised at the end of the contract or as agreed upon.

Contingent Liabilities

Contingent liability is disclosed in case of

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;

- A present obligation arising from past events, when no reliable estimate is possible;
- A possible obligation arising from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company where the probability of outflow of resources is not remote.

Contingent Assets

Contingent assets are not recognized but disclosed in the financial statements when as inflow of economic benefits is probable

XIV. Revenue Recognition

The Company's business is to sell Club ownership, provide Tour & Holiday services, accommodation services, Training/Coaching in recreational activities relating to art, culture & sports, fitness training and clubbing to its members for a specified period, for which fee is collected either in full up front, or on deferred payment basis. Revenue from Membership fees which is non refundable is recognized as income on admission of a member. Requests for cancellation of membership are accounted for when it is accepted by the Company.

Annual room charges are recognized as income as and when collected. Income from resorts, Income from room rental, food and beverages income etc., is recognized as and when services are rendered.

XV. Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency of the company, at exchange rates in effect at the transaction date.

At each reporting date monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate in effect at the date of the statement of financial position.

The translation for other non-monetary assets is not updated from historical exchange rates unless they are carried at fair value.

XVI. Minimum Alternative Tax (MAT)

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

XVII. Earnings per Share

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

XVIII. BASIS OF CONSOLIDATION

The financial statements of the group companies are consolidated on a line by line basis and intra group balances and transactions, including unrealized gain/loss from such transactions, are eliminated on upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the group. Non controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company are excluded.

Associates are entities over which the group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

The following subsidiaries are taken into account for the preparation of Consolidating Financial Statements

STANDALONE FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

To,
The Members of M/s Country Club Hospitality and Holidays Limited
Report on the Audit of Ind AS Standalone Financial Statements

Opinion

We have audited the accompanying Ind AS Standalone Financial Statements of M/s **COUNTRY CLUB HOSPITALITY AND HOLIDAYS LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in equity and the Statement of Cash Flows for the year ended on that date and notes to financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of "the Company" in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matters:

Investment in subsidiary companies are continuing at historical cost and not at its fair value.

Our opinion is not modified in respect of the above Emphasis of Matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of "the Act" with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of "the Act". This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objective is to obtain reasonable assurance whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As our audit is conducted in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities of the Company to express an opinion on the financial statements.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **M/s COUNTRY CLUB HOSPITALITY AND HOLIDAYS LIMITED** of even date)

Report on the Internal Financial Controls over Financial Reporting under clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s COUNTRY CLUB HOSPITALITY AND HOLIDAYS LIMITED** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control state in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Corporate Information

Country Club Hospitality & Holidays Limited formerly known as Country Club (India) Limited ('the Company') is a public entity domiciled in India and is India's biggest chain of family clubs with over 70 destinations across India. It is dubbed as the Powerhouse of Entertainment. Its shares are listed on NSE & BSE

2. Basis of preparation

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31st March 2022 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- Assets held for sale – measured at fair value less cost to sell;
- Defined benefit plans – plan assets measured at fair value; and
- Share-based payments.

2.1 Summary of significant accounting policies

I. Significant Accounting Estimates and Judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reporting amounts of assets, liabilities, income and expense and disclosures made. Although these estimates are based on management's best knowledge of current events and actions, actual result may differ from those estimates.

The critical accounting estimates and assumptions used and areas involving a high degree of judgments are described below:

Use of estimation and assumptions

In the process of applying the entity's accounting policies, management had made the following estimation and assumptions that have the significant effect on the amounts recognised in the financial statements.

Property, plant and equipment & Intangible Assets

Key estimates related to long-lived assets (property, plant and equipment, mineral leaseholds and intangible assets) include useful lives, recoverability of carrying values and the existence of any retirement obligations. As a result of

future decisions, such estimates could be significantly modified. The estimated useful lives of long-lived assets is applied as per schedule II of Companies Act, 2013 and estimated based upon our historical experience, engineering estimates and industry information. These estimates include an assumption regarding periodic maintenance and an appropriate level of annual capital expenditures to maintain the assets.

Impairment of plant & equipment and Intangible assets

The company assesses whether plant & equipment and intangible assets have any indication of impairment in accordance with the accounting policy. The recoverable amounts of plant & equipment and intangible asset have been determined based on value-in-use calculations. These calculations require the use of judgment and estimates.

Expected credit loss

Expected credit losses of the company are based on an evaluation of the collectability of receivables. A considerable amount of judgment is required in assessing the ultimate realization of these receivables, including their current creditworthiness, past collection history of each customer and ongoing dealings with them. If the financial conditions of the counterparties with which the Company contracted were to deteriorate, resulting in an impairment of their ability to make payments, additional expected credit loss may be required.

II. Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost includes its purchase price(after deducting trade discounts and rebates), import duties & non-refundable purchase taxes, any costs directly attributable to bringing the asset to the location & condition necessary for it to be capable of operating in the manner intended by management, borrowing costs on qualifying assets and asset retirement costs. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The activities necessary to prepare an asset for its intended use or sale extend to more than just physical construction of the asset. It may also include technical (DPR, environmental, planning, Land acquisition and geological study) and administrative work such as obtaining approvals before the commencement of physical construction.

The cost of replacing a part of an item of property, plant and equipment is capitalized if it is probable that the future economic benefits of the part will flow to the Company and that its cost can be measured reliable. The carrying amount of the replaced part is derecognized.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, estimated useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is recognised in the profit or loss in the year the asset is derecognized.

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work in Progress.

Depreciation

Depreciation is provided on Straight Line Method, as per the provisions of schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment.

Leasehold Assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use.

In respect of additions / deletions to the fixed assets / leasehold improvements, depreciation is charged from the date the asset is ready to use / up to the date of deletion.

Depreciation on adjustments to the historical cost of the assets on account of reinstatement of long term borrowings in foreign currency, if any, is provided prospectively over the residual useful life of the asset.

III. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

The company amortizes Computer software using the straight-line method over the period of 3 years

Financial Assets

Financial assets comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial Recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

- (i) Financial assets measured at amortised cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

- (i) Trade Receivables

An impairment analysis is performed at each reporting date. The expected credit losses over life time of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecasts of future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the life time when there is significant increase in credit risk.

De-recognition of financial assets

A financial asset is derecognized only when:

- The company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset and transferred substantially all risks and rewards of ownership of the financial asset, in such cases the financial asset is derecognized. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is also derecognized if the company has not retained control of the financial asset.

IV. Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

V. Inventories

Construction materials, raw materials, consumables, stores and spares and finished goods are valued at lower of cost and net realizable value. Cost is determined on weighted average cost method.

Construction/Development work-in-progress related to project works is valued at lower of cost or net realizable value, where the outcome of the related project is estimated reliably. Cost includes cost of land, cost of materials, cost of borrowings and other related overheads.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

VI. Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks subsequently measured at amortized cost and short term investments are measured at fair value through Profit & Loss Account.

VII. Non-current Assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities, that are expected to be recovered through sale rather than through continuing use, are classified as held for sale. Immediately before classification as held for sale, the assets, or components of the disposal group, are re-measured in accordance with the Company's accounting policies. Thereafter, the assets, or disposal group, are measured at the lower of their carrying amount and fair value less costs to sell. Any impairment losses on initial classification as held for sale or subsequent gain on re-measurement are recognized into net income. Gains are not recognized in excess of any cumulative impairment losses.

VIII. Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognized when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value plus any directly attributable transaction costs, such as loan processing fees and issue expenses.

Subsequent measurement

The measurement of financial liabilities depends on their classification as follows: -
Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss includes financial liabilities held for trading and financial liabilities designated upon initial recognition at fair value through profit or loss. Financial liabilities are classified as held for trading if they are acquired for the purpose of selling in the near term. This category includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Subsequent to initial recognition, financial liabilities at fair value through profit or loss are measured at fair value. Any gains or losses arising from changes in fair value of the financial liabilities are recognised in profit or loss.

The company has not designated any financial liabilities upon initial recognition at fair value through profit or loss.

IX. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other costs that an entity incurs in connection with the borrowing of funds.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

X. Employee Benefits

- Employee benefits are charged to the statement of Profit and Loss for the year and for the projects under construction stage are capitalized as other direct cost in the Capital Work in Progress / Intangible asset under development.
- Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are recognised, when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

- Gratuity liability is defined benefit obligations and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurement in case of defined benefit plans gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income and they are included in retained earnings in the statement of changes in equity in the balance sheet.
- Compensated absences are provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.
- The amount of Non-current and Current portions of employee benefits is classified as per the actuarial valuation at the end of each financial year.

XI. Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the reporting date. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable income nor the accounting income. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable income will be available against which they can be utilized. Deferred tax assets are reviewed at each reporting date and reduced accordingly to the extent that it is no longer probable that they can be utilized.

Deferred tax assets and liabilities are offset when there is legally enforceable right of offset current tax assets and liabilities when the deferred tax balances relate to the same taxation authority. Current tax asset and liabilities are offset where the entity has legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

XII. Leases

As a lessee

Lease of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Lease in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

Lease-hold land:

Leasehold land that normally has a finite economic life and title which is not expected to pass to the lessee by the end of the lease term is treated as an operating lease.

The payment made on entering into or acquiring a leasehold land is accounted for as leasehold land use rights (referred to as prepaid lease payments in Ind AS 17 “Leases”) and is amortized over the lease term in accordance with the pattern of benefits provided.

XIII. Provisions, Contingent Liabilities and Contingent Assets**Provisions**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions are measured at the present value of management’s best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense and is recorded over the estimated time period until settlement of the obligation. Provisions are reviewed and adjusted, when required, to reflect the current best estimate at the end of each reporting period.

The Company recognizes decommissioning provisions in the period in which a legal or constructive obligation arises. A corresponding decommissioning cost is added to the carrying amount of the associated property, plant and equipment, and it is depreciated over the estimated useful life of the asset.

A provision for onerous contracts is recognized when the expected benefits to be derived by the company from a contract are lower than the unavoidable cost of meeting its obligations under contract. The provision is measured at the present value of the lower of expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the company recognizes any impairment loss on the assets associated with that contract.

Liquidated Damages / Penalty as per the contracts / Additional Contract Claims under the contract entered into with Vendors and Contractors are recognised at the end of the contract or as agreed upon.

Contingent Liabilities

Contingent liability is disclosed in case of

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- A present obligation arising from past events, when no reliable estimate is possible;
- A possible obligation arising from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company where the probability of outflow of resources is not remote.

Contingent Assets

Contingent assets are not recognized but disclosed in the financial statements when as inflow of economic benefits is probable

XIV. Revenue Recognition

The Company's business is to sell Club ownership, provide Tour & Holiday services, accommodation services, Training/Coaching in recreational activities relating to art, culture & sports, fitness training and clubbing to its members for a specified period, for which fee is collected either in full up front, or on deferred payment basis. Revenue from Membership is fees which is non refundable is recognized as income on admission of a member. Requests for cancellation of membership are accounted for when it is accepted by the Company. Revenue from Tour operating services is recognized as and when collected

Annual room charges are recognized as income as and when collected. Income from resorts, Income from room rental, food and beverages income etc., is recognized as and when services are rendered.

XV. Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency of the company, at exchange rates in effect at the transaction date.

At each reporting date monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate in effect at the date of the statement of financial position.

The translation for other non-monetary assets is not updated from historical exchange rates unless they are carried at fair value.

XVI. Minimum Alternative Tax (MAT)

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

XVII. Earnings per Share

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.
